I just got off the phone with Desean and suggested that if I am not immediately there to please proceed with all of your feedback on the draft IP. I hope that during this call we will get to talk to them about HDOA and ADC responses as well.

My two cents:

Ex. 5 Deliberative Process (DP)

Rather than struggle through the editing of the IP, maybe best to first just have the discussion with ECRCO, then provide comments and edits if still needed.

Please review the attached draft IP. I plan to schedule a call next week to walk through the IP and discuss any potential comments. Thanks!
